## OUR INVITATION

### THE 1951 IOWA ROYAL

We most cordially invite everyone interested in good livestock to attend the Iowa Royal Show and Sale of 1951.

We would like to have all attend the banquet and program at the Hotel Kirkwood on Monday evening, March 12th, and then be with us at the Show the next morning and the Sale in the afternoon of March 13th at the Iowa State Fair Grounds, Des Moines, Iowa.

We believe that we have an outstanding group of individually inspected and selected cattle. These cattle have been selected from leading herds both as to quality and geographical location so that they truly represent the State of Iowa.

We sincerely believe that this sale is equal to any other sale and offers the opportunity to obtain the most up-to-date and popular individuals and bloodlines, and also the get and service of the most popular and up-to-date Shorthorns of the day.

You will find Shorthorns in this offering that are winners, bred to, bred like, and sired by winners, and many others that are the best. Again, at the 1950 International, Iowa breeders won Champion bull, five out of six individual bull classes, one female class, two of four open steer classes, and Junior Show Champion Steer.

We are also proud that many of these cattle come from herds with a record of many years of constructive breeding back of them.

We believe that this is a sale that you cannot afford to miss and hope that you will plan to attend.

We welcome as our guests breeders of Shorthorn cattle, members of 4-H and F.F.A. clubs, farmers, bankers, ranchers, business and professional men, as well as their ladies and families.

You will enjoy the banquet and the show. You will be able to buy individuals in the sale that will improve the best of herds and make ideal foundation material.

Browndale Hero, Fascinator, and Sunray were great show bulls and great breeding bulls. Helfred Prentice and Helfred Golden Mark are probably two of the best, if not the best, breeding sons of the International Grand Champion, Sunray. **SILVER VALE ACORN**—We are proud to present this bull, our first bull calf from Achtoi Dreadnaught that we purchased as one of the tops in the 1948 Arnold Brothers Sale. The good cattlemen who have seen this bull like him and say he is comparable with many of the better bulls in use in Iowa today. Take a good look at this dark red, straight lined Achtoi bull we are offering.

**ELMWOOD EMPEROR**—Is the best bull we have ever consigned to any sale. His sire, Imp. Corrimony Emperor, is doing a great job at Helfred Farms. Elmwood Emperor is short-legged, rugged, heavy boned and has a good head and horn. He is the thickest bull we have ever bred and carries his width uniformly from end to end. His dam is a red cow of the most approved type with a combination of Sunray and Brae Lodge Headlight breeding. We feel that he is a sale attraction and will develop into a prepotent sire. Look him over sale day.

**PRETENDER'S BEAU**—This calf is a very dark roan, smooth, deep-bodied, out of an outstanding cow, that should look good by sale time. These Pretender calves have done very well for us including Champion and top bull at 1950 Omaha Sale, Grand Champion female at Missouri and Nebraska, and Reserve Champion at Iowa 1950 State Fairs. In addition, they were top winners at 1950 Ft. Worth Show. They have gone into leading herds. This son of Imp. Crugg'eton Pretender and out of a Lavender dam of intense Browndale breeding is beautifully bred. He has lots of style and balance and should make a good sire.

**MERDALE CONTROL MERCURY**—Although only a May calf, here is certainly a very outstanding Mercury calf. Even though his photo was taken when he was only 5½ months old it indicates that he has a great head with the style, balance and carriage of a real sire. His development since the photo has been phenomenal. He is thick, straight, deep and soggy. Has a great covering of mellow flesh and a wonderful coat of hair. His breeding cannot be questioned since his sire, Edellyn Clipper Mercury, has sired many sale champions and high selling cattle, and is one of Calrossie Mercury's best sons. His dam is a direct granddaughter of the great Browndale Count. This bull had two full brothers and a full sister that were sale toppers. This calf offers an opportunity for the most critical cattlemen.

His pedigree cannot be faulted as this is imported breeding at its best. His sire Imp. **GLENBURN ROSEWOOD 22d**—This Canadian bred 3-year-old cow sells with a January 2, 1951 roan bull calf at foot by Killearn Major who sired W L Max Major 4th, the Grand Champion bull at 1950 Illinois, Missouri, Nebraska, and Iowa State Fairs. Also sired W L Max Major 7th, first prize junior calf at the 1950 International, Chicago, and 1951 Denver and Ft. Worth Shows. This cow is out of the same dam as W. L. Max Major 7th, making her a half sister, and a calf at side is by the same sire making him a three-quarter brother to W. L. Max Major 7th. This cow will be sold guaranteed **SAFE IN CALF** to the 1950 INTERNATIONAL GRAND CHAMPION BULL, N BAR PRINCE. Considering her choice pedigree and the amount of close-up prize winning breeding, we believe this three-in-one combination presents as valuable a buying opportunity as we, or anyone else, have offered for sale in a long time. You may be buying two more winners like W L Max Major 7th.

**JEALOUSY 7th**—A member of our 1950 show herd that has stood up well in class wherever shown, and was the first prize two-year-old at the 1951 National Western Show at Denver. This heifer sired by Imp. Marellbar Impression who sired the 1950 Denver and Fort Worth Reserve Champion and 1950 Congress Sale champion, and out of Jealousy 6th by Brawith Nugget who sired a Denver Grand Champion bull, has a great deal of championship breeding. She is safe in calf since November 18, 1950 to Killearn Major, the sire of many 1950 top winners. We believe that this heifer will be definitely a sale attraction.

HERJADON JASMINE LADY 6th—We think this is the best heifer we have ever raised. She is certainly deep, thick, wide and short-legged as a good beef cow should be. Without much fitting she stood third in a strong Junior Yearling class at the 1950 Iowa State Fair. We hate to part with her but we want to have an outstanding heifer in the State Sale. Note her dam was sired by the great Helfred Marauder, sire of many top price cattle. She will have a calf in April by the first prize Summer Yearling at the 1948 Iowa State Fair, Gold Bar Max, a grandson of the famous Killearn Max 5th. This calf should be outstanding.

**PROUD COMMODORE**—A May calf that is all bull already. He is thick, smooth and short-legged, well balanced and short coupled with a good head and a good rear end. He is by that sire of winners and Iowa Royal Sale top, Imp. Iceni Commodore. Browndale Air Raid and P F Commodore 12th, the winners pictured above Lots 10 and 29 are his half brothers by the same sire. Donald K. Johnson was awarded the Shorthorn heifer at 1949 Iowa State Fair as outstanding 4-H club boy and has since been building a small, select herd. This calf was intended for show this fall but since Donald has been called into the air force here is an opportunity for someone to buy this calf and carry out Donald's well laid plans.
